AMERICAN FINANCIAL GROUP INC. AND IT'S SUBSIDIARIES...GREAT AMERICAN INSURANCE COMPANIES

A.M. Best is one of the oldest and most respected rating bureaus for Insurance Companies.

A.M. Best has upgraded Great American's financial strength rating to A+ (Superior) from A (Excellent).

The ratings of Great American reflect its solid risk-adjusted capitalization, strong operating profitability and diversified business profile. Great American's operating performance has been driven by consistently favorable underwriting results, which are reflective of management's disciplined operating strategy and product knowledge. The group also benefits from its multiple distribution channels, diversified product offerings, excellent geographic spread of risk, access to data through its sophisticated technology platform and a modest exposure to natural catastrophes, as demonstrated in recent years with the group reporting relatively low catastrophe-related losses.

While Telcom Insurance Group has many resources for your business insurance and risk management needs, we do offer an exclusive product through Great American Insurance Company for the members of NTCA. Please contact us if you'd like more information.
