

16th Annual Spring Art Contest

Bullying is a problem that affects millions of students and it has everyone worried, not just the kids on its receiving end. Parents, teachers, and other adults don't always see it. So, they may not understand how extreme bullying can get. But, as a student, you're probably more likely to see bullying first-hand. Start thinking about ways you can show us how you can help prevent bullying and promote acceptance.
